#### **SUMMARY OF CONTRIBUTIONS TO KNOWLEDGE**

My various publications have contributed to knowledge by offering an independent and critical assessment of current legal responses to Nigeria in particular and the world in general. My Ph.D thesis titled *Relevancy And Admissibility Of Electronically Generated Evidence Under Nigerian Law Of Evidence* and one of my articles on the same subject matter wherein I advocated that the Evidence Act be amended to accommodate the admissibility of electronically generated evidence, provoked legal write ups and I believed led to the repeal of the old Evidence Act and enactment of the new Evidence Act 2011, which expressly made provision for the admissibility of electronic evidence in Nigeria.

Furthermore, my publication in NIALS journal of international law, titled *Plea Bargain In The Administration Of Criminal Justice In Nigeria*, wherein I advocated that plea bargain be introduced into our *corpus juris*, I believed led to the enactment of the Administration of Criminal Justice Act 2015, which introduced the concept of plea bargain into our *corpus juris*.
